

RESTORICON HOMECARE

COMPREHENSIVE PROGRAM MANUAL & OPERATIONS GUIDE

ONE COMPANY. YOUR ENTIRE PROPERTY. ALL YEAR.

1. HOMECARE PACKAGES & PRICING

All prices are starting prices for Tier A properties. Final pricing is established after the Initial Property Assessment & Measurement.

Package	Monthly	Annual Prepay	Core Scope	Lawn Included
HomeCare Basic	\$179	\$1,899	Home preventive maintenance	No
HomeCare Plus	\$399	\$4,299	Home + lawn & grounds	Yes
HomeCare Complete	\$599	\$6,499	Full-property care	Yes
HomeCare Estate	\$999+	\$10,999+	White-glove custom care	Yes

The Four-Level Customer Explanation:

\$179 BASIC → Take care of my home.

\$399 PLUS → Take care of my home + lawn.

\$599 COMPLETE → Take care of my whole property.

\$999+ ESTATE → Manage it for me.

Important Operating Distinction: Membership pricing is for the defined HomeCare service scope; it is not an unlimited repair plan. *Basic intentionally does not include caulking/weather-sealing or paint touch-up labor allowances. Those services officially begin in Plus and expand at the higher tiers.* While Basic covers visual checks of these elements, labor to repair is separately quoted or requires a higher tier.

Detailed Package Scopes

HomeCare Basic (\$179/mo | \$1,899/year)

Preventive home maintenance without recurring lawn service.

- ☐ 2 seasonal HomeCare property assessments per year
- ☐ 2 gutter cleanings and downspout clearing per year
- ☐ 1 dryer vent cleaning per year
- ☐ Hose-bib winterization and exterior water-line check
- ☐ Sump-pump operational check
- ☐ HVAC condensate/drain visual check
- ☐ Water-heater area visual check
- ☐ Moisture / visible water-intrusion review
- ☐ Window and exterior door seal check
- ☐ Home Health Report with photos and maintenance recommendations
- ☐ Priority scheduling with Restoricon and priority restoration response

What is NOT Included in Basic: Routine lawn/grounds maintenance, major repairs, reconstruction, hazardous abatement, out-of-scope emergency work, materials, consumables, fixtures, and replacement parts.

HomeCare Plus - Recommended (\$399/mo | \$4,299/year)

HomeCare Basic plus scheduled lawn and grounds maintenance.

- ☐ Everything in Basic
- ☐ 4 seasonal property assessments
- ☐ Scheduled growing-season lawn mowing within plan allowance
- ☐ String trimming / weed whacking
- ☐ Edging of designated areas
- ☐ Driveway and walkway blow-off
- ☐ Spring yard cleanup
- ☐ Limited fall leaf removal
- ☐ Minor paint touch-up and caulking/weather-sealing allowance

HomeCare Complete (\$599/mo | \$6,499/year)

Premium full-property maintenance for routine exterior care.

- ☐ Everything in Plus
- ☐ Annual whole-house soft wash within property allowance
- ☐ Annual driveway pressure wash within allowance
- ☐ Expanded spring cleanup and fall leaf removal
- ☐ Expanded exterior paint touch-up and caulking/sealing allowances
- ☐ Additional minor maintenance labor
- ☐ Driveway sealing credit/allowance on approved cycle
- ☐ Seasonal maintenance planning and post-storm property assessment
- ☐ VIP scheduling and restoration response

HomeCare Estate (Starting at \$999/mo | \$10,999+/year)

Customized white-glove property maintenance for complex properties.

- ☐ Everything in Complete
- ☐ Customized property maintenance program and mowing frequency
- ☐ Multiple leaf-removal/seasonal cleanup visits
- ☐ Expanded exterior maintenance, house-wash, and driveway allowances
- ☐ Expanded handyman/maintenance labor
- ☐ Seasonal property preparation and vacation-home checks where contracted
- ☐ Post-storm property checks
- ☐ Highest-priority scheduling and VIP restoration response

Property-Size Pricing & Complexity Tiers

Tier	Typical Property	Pricing Basis
A - Residential	Up to ¼ acre	Base starting price
B - Residential+	¼ to ½ acre	Adjusted after measurement
C - Large Property	½ to 1 acre	Adjusted after measurement
D - Executive	1 to 2 acres	Custom quote
Estate	2+ acres / complex properties	Custom plan

Important: Final pricing accounts for mowable lawn area, house size, gutter footage/height, driveway area, leaf load, terrain, access, and estimated annual labor hours—not acreage alone.

2. MASTER SERVICE CATALOG

Lawn & Grounds

- ☐ Scheduled mowing
- ☐ String trimming / weed whacking
- ☐ Edging & Blow-off of hard surfaces
- ☐ Spring yard cleanup & Fall leaf removal
- ☐ Seasonal debris cleanup

- ☐ Mulch/planting, Aeration/seeding
- ☐ Shrub pruning/tree work, Irrigation
- ☐ Snow removal, Major painting/repairs
- ☐ Roof/siding repairs
- ☐ Water/fire/storm restoration

3. INTERNAL OPERATIONS & DOCUMENT SET

The goal is to strictly separate the customer promise, operational checklist, and billing records.

Document	Purpose
1. HomeCare Membership Agreement	Customer-facing contract covering term, price, scope, exclusions, materials, scheduling, and termination.
2. HomeCare Service Scope	Plain-language description of exactly what the membership includes.
3. Property Enrollment/Intake Form	Property details, home size, gutters, HVAC notes, access instructions, pets, emergency contacts.
4. Initial Property Baseline Inspection	Condition report completed before recurring service begins, with photos.
5. Recurring Service Checklist	Internal technician checklist for each visit tier.
6. Service Visit Record	Internal record of completed work, findings, photos, materials, and follow-up.
7. Material / Parts Authorization	Approval form for billable materials and replacement parts.
8. Change Order / Additional Work	Required before work outside membership scope is performed.
9. Home Health Report	Customer-facing report summarizing work, observations, photos, and recommendations.
10. Cancellation Procedure	Internal process for missed payments, cancellation, unsafe conditions, or access problems.
11. Emergency / Referral Record	Documents when a HomeCare issue becomes a restoration job.
12. Technician Safety & Quality	PPE, ladder/fall protection, lockout/tagout, cleanliness, and escalation rules.

Operational Launch Rules:

- Finalize the customer Membership Agreement and have Connecticut counsel review it before use.
- Keep membership revenue separate from separately billed materials and non-included repair work.
- Train technicians to document facts, not make promises about repairs outside their scope.
- Membership = predictable preventive labor. Never let an ambiguous 'included' promise turn a \$179 membership into an unlimited maintenance obligation.

4. INITIAL PROPERTY ASSESSMENT & MEASUREMENT

Required before final enrollment pricing. Recommended fee: \$199-\$299, creditable toward annual membership.

General Information

- ☐ Customer/property information recorded & Property type/occupancy documented
- ☐ Front, rear, left, right, and accessory-structure photos taken

House Measurements

- ☐ Approx. conditioned square footage: _____
- ☐ Stories: 1 1.5 2 2.5 3+
- ☐ Exterior: Vinyl Wood Fiber cement Brick Stucco Mixed
- ☐ Exterior wash access: Easy Moderate Difficult Special equipment

Lawn Measurement

- ☐ Total lot: _____ acres Actual mowable turf: _____ sq ft / acres
- ☐ Obstacles: Few Moderate Heavy Terrain: Flat Moderate slope Steep / multi-level
- ☐ Fences/gates/trees/beds/pool/retaining walls documented
- ☐ Estimated mowing + trim time: _____ crew-hours

Gutters & Driveway

- ☐ Highest gutter: 1 story 2 story 3+ Gutter guards: None Partial Full
- ☐ Debris: Light Moderate Heavy Approx. footage: _____ linear ft
- ☐ Driveway Surface: Asphalt Concrete Pavers Gravel
- ☐ Cracks/stains/moss/drainage/previous sealer documented

Property Complexity Score

- ☐ Lawn complexity: _/5 | House complexity: _/5 | Exterior maintenance: _/5 | Seasonal/leaf: _/5 | Access: _/5
- ☐ **TOTAL SCORE: _/25**
- ☐ Assigned tier: A B C D Estate
- ☐ Recommended package: Basic Plus Complete Estate
- ☐ Approved monthly price: \$ _____ Approved annual price: \$ _____

5. TECHNICIAN CHECKLISTS

A. Required at Every Visit

- ☐ Confirm membership active, account current, and property access instructions.
- ☐ Review previous report, outstanding recommendations, and ask homeowner about new concerns.
- ☐ Confirm vehicle, PPE, ladder/fall-protection needs, tools, supplies, and approved parts.
- ☐ Take arrival/front-property photo.
- ☐ Document inaccessible or unsafe areas.
- ☐ Photograph each identified concern and classify findings (GREEN / YELLOW / ORANGE / RED).
- ☐ Upload before/after photos for performed services.
- ☐ Review major findings with homeowner and record arrival/departure time.

B. HomeCare Basic Checklist

- ☐ Roof/exterior visual assessment from safe accessible locations.
- ☐ Siding, trim, fascia, soffit, visible paint and caulking check.
- ☐ Windows/doors and exterior penetrations.
- ☐ Foundation, grading, and visible drainage/downspouts check.
- ☐ Gutters/downspouts - clean when scheduled.
- ☐ Basement/crawlspace and safe attic visible moisture/water-staining indicators.
- ☐ Accessible plumbing leak indicators & Water-heater area check.
- ☐ HVAC condensate/drain area check.
- ☐ Sump-pump operational check.
- ☐ Dryer vent cleanout when scheduled.
- ☐ Hose-bib winterization when scheduled.
- ☐ Smoke/CO visual check.
- ☐ Complete Home Health Report.

C. Higher Tier Checklist Additions (Plus / Complete / Estate)

- ☐ **PLUS:** Mow designated turf, string trim, edge walks/drives/beds, blow clippings, spring cleanup / leaf removal when scheduled, minor caulking/paint touch-ups, document turf/grounds issues.
- ☐ **COMPLETE:** Whole-house soft wash, driveway pressure wash, expanded spring/fall cleanup, expanded paint/caulking allowance, use/record included minor-maintenance labor, evaluate driveway sealing cycle/credit, post-storm assessment.
- ☐ **ESTATE:** Follow customized schedule/mowing/leaf scope, expanded exterior/handyman allowances, contracted vacation checks, update annual property maintenance plan.

Damage Discovery Protocol

- ☐ Stop routine work in affected area if necessary for safety/property protection.
- ☐ Photograph source and affected areas. Document affected materials.
- ☐ Take moisture readings when appropriate and trained.
- ☐ Notify homeowner. Notify Restoricon office when immediate response is warranted.
- ☐ Offer authorized emergency mitigation options when appropriate. Create estimate request.
- ☐ **DO NOT state that insurance will cover the loss.** Suggested language: *"We found damage that should be addressed. Restoricon can document the condition and provide options for mitigation or repair. If you choose to contact your insurance company, coverage is determined by your insurer and policy."*

6. SERVICE VISIT RECORD

Customer Name: _____ Property Address: _____

Visit Date: _____ Technician: _____

Visit Type: ☐ Spring ☐ Fall ☐ Gutter ☐ Dryer Vent ☐ Other

Customer Present: ☐ Yes ☐ No Access Method: _____

Materials / Parts Used	Qty	Cost	Customer Approval

Completion & Customer Acknowledgment

- ☐ Problems and deferred maintenance documented. Home Health Score / report completed.
- ☐ Work area cleaned. Next scheduled service identified.

Technician Signature: _____ Date: _____

Customer Signature: _____ Date: _____

7. PROGRAM BOUNDARIES

HomeCare is a recurring property maintenance and visual assessment program. It is **not** an insurance policy, home warranty, guarantee against future damage, or determination of insurance coverage. Memberships primarily cover the defined labor and services. Materials, consumables, custom items, fixtures, equipment, and replacement parts are billed separately at cost unless specifically included or covered by an allowance. Customer approval is obtained before purchase whenever practical.

The final customer agreement defines service allowances, exclusions, access requirements, automatic renewal/cancellation terms, and applicable licensing requirements. *Planning note: This packet is an operating manual/draft, not legal advice. Have final agreements reviewed by a qualified Connecticut attorney before selling memberships.*
