Part I — Program, Scope & Pricing

1. HomeCare Packages & Pricing Overview

All pricing shown is the base starting price for Tier A properties (up to and including $\frac{1}{4}$ acre, with a driveway up to 1,000 sq ft). Final pricing is set after the Initial Property Assessment & Measurement and is adjusted by the Tier Multiplier Schedule (Appendix A).

Package

Monthly

Annual Prepay

Core Scope

Lawn

HomeCare Basic

\$179

\$1,969

Preventive home maintenance, interior & exterior envelope

No

HomeCare Plus(Most popular)

\$399

\$4,389

Preventive maintenance + scheduled lawn & grounds care

HomeCare Complete

\$599

\$6,589

Full-property care + whole-house soft wash & pressure washing

Yes

HomeCare Estate

from \$999

quoted with plan

White-glove custom property management & dedicated handyman

Yes

Annual Prepay rule: Annual Prepay equals eleven (11) monthly payments — one month free — rounded to the nearest \$10. This rule applies to every tier. All prices are exclusive of Connecticut sales tax. Applicable sales tax is added at invoicing (see Program Boundaries § Sales Tax).

The four-level customer explanation

\$179 BASIC → Take care of my home.

\$399 PLUS → Take care of my home + lawn & grounds.

\$599 COMPLETE → Take care of my whole property.

\$999+ ESTATE → Manage it all for me.

Operating distinction

Membership pricing covers defined, predictable preventive labor and scheduled visual assessments. It is not an unlimited repair plan, a home warranty, or a home inspection. Basic covers scheduled preventive tasks and visual checks. Lawn and grounds care begins at Plus. Handyman credits and service allowances expand at higher tiers. Materials and out-of-scope repairs are billed separately with prior homeowner approval; materials are billed at direct cost plus a 25% sourcing fee.

2. Credits, Allowances & Labor Rates

Term

Definition

1 credit

One (1) hour of on-site labor by one technician. Credits are tracked in 30-minute increments; any period started of 30 minutes or less draws a half credit.

Handyman Pro Service Credit

Covers handyman labor only. Materials are billed separately at direct cost plus a 25% sourcing fee.

Term year

The 12-month period beginning on the service start date, and each 12-month period thereafter.

Carryover

Unused credits do not carry over past the end of a term year and have no cash value.

Proration on change

On a mid-term upgrade, additional credits are prorated by whole months remaining in the term year. On a downgrade, credits already used in excess of the new tier are billed at the standard hourly rate.

On cancellation

Unused credits are forfeited on cancellation and have no cash value. Credits already used are accounted for in the Annual Prepay refund calculation (Form 1 § 4).

Standard hourly rate

\$100 per hour, plus applicable sales tax. Applies to labor beyond included credits, out-of-scope labor, and approved change-order labor unless quoted otherwise.

Wash allowances

Soft wash and pressure washing allowances cover the main home and the driveway as measured and recorded at the Initial Property Assessment (Form 3 § 3, Wash Scope Baseline). Additional structures or surfaces are quoted separately.

3. Detailed Package Scopes

HomeCare Basic — \$179/mo | \$1,969/year

Core focus: preventive home maintenance and property envelope protection, without recurring lawn mowing.

Scheduled visits: 2 per year (Spring Service Visit and Fall Service Visit — see the Annual Service Calendar, § 4).

1 Seasonal HomeCare property assessment per year, performed at either the Spring or the Fall visit at the homeowner's election

1 Gutter cleaning and downspout clearing per year, performed at the Spring Service Visit

1 Annual dryer-vent cleaning & lint obstruction removal

Hose-bib winterization and exterior water-line freeze protection check (up to 4 hose bibs)

Sump-pump operational and float check

HVAC condensate / drain line visual flow check

Water-heater area & visible plumbing leak review

Window and exterior door seal assessment

Moisture & visible water-intrusion assessment

Exterior envelope, roofline (from ground), foundation & drainage visual review

Basement / crawlspace / attic visible moisture review

Smoke & CO detector visual test

Home Health Report with time-stamped photos and recommendations

Service Visit Record delivered after every visit

Priority scheduling and builder restoration response at the Basic service level (§ 5)

HomeCare Plus — \$399/mo | \$4,389/year (Recommended)

Core focus: comprehensive preventive home maintenance PLUS scheduled lawn and grounds maintenance.

Scheduled visits: approximately 19 per year (2 preventive + up to 14 mowing + 1 spring cleanup + up to 2 fall leaf removals).

Everything included in HomeCare Basic

Bi-weekly mowing of designated turf — up to 14 mowing visits per season (see Growing Season, § 4.2)

String trimming & weed whacking around obstacles, beds and fences at each mowing visit

Precision edging of designated walks, driveways and landscape beds at each mowing visit

Hard-surface blow-off of driveways, patios and walkways at each mowing visit

1 Spring yard cleanup and seasonal debris clearing

Up to 2 Fall leaf removal and grounds cleanup visits

1 Additional Seasonal property assessment per year (2 total — both the Spring and Fall visits produce a Home Health Report)

Service Visit Record delivered after every routine visit; full Home Health Report after each Seasonal Assessment

1 Handyman Pro Service Credit (1 hour) per term year

Priority scheduling and builder restoration response at the Plus service level (§ 5)

HomeCare Complete — \$599/mo | \$6,589/year

Core focus: full-property care, house washing and power washing.

Scheduled visits: approximately 38 per year (2 preventive + up to 28 mowing + 1 spring cleanup + up to 2 fall leaf removals + soft wash + driveway wash + driveway sealing + up to 2 snow events).

Everything included in HomeCare Plus, including full lawn & grounds care

Weekly mowing of designated turf — up to 28 mowing visits per season (upgraded from bi-weekly)

Annual whole-house soft wash (main home, as recorded in the Wash Scope Baseline)

Annual driveway pressure washing (driveway, as recorded in the Wash Scope Baseline)

Annual driveway sealing (driveway as measured at assessment). Sealer and materials are billed separately at direct cost plus a 25% sourcing fee.

Up to 2 snow removal visits per winter season, applied to the first 2 qualifying events (see Snow Removal, § 4.3)

2 Handyman Pro Service Credits (2 hours) per term year

Priority scheduling and emergency restoration response at the Complete service level (§ 5)

HomeCare Estate — from \$999/mo | annual pricing quoted with the plan

Core focus: customized white-glove property management for large or complex properties.

Scheduled visits: customized and recorded in the Estate plan schedule attached to Form 1. The baseline below applies unless the Estate plan states otherwise.

Everything included in HomeCare Complete

Customized maintenance schedule and mowing frequency, stated as a visit count in the Estate plan schedule

Up to 3 fall leaf-removal and cleanup visits (approximately monthly through the fall season)

Annual driveway sealing, plus additional sealing in the quantity set by the Estate plan

Up to 6 snow removal visits per winter season, applied to the first 6 qualifying events

2 Dedicated vacation-home checks per term year

3 Dedicated post-storm property evaluations per term year

5 Handyman Pro Service Credits (5 hours) per term year

Highest-priority scheduling, dedicated builder management and a named account contact (§ 5)

4. Annual Service Calendar & Seasonal Definitions

This calendar governs scheduling, routing and costing for every tier. Where a scope description elsewhere in this manual appears to conflict with this calendar, this calendar controls.

4.1 Scheduled visits by tier

Counts shown as "up to" are contractual maximums for the term year and are what the membership includes. Fixed counts are the scheduled programme; actual timing varies with weather and growing conditions as described in §§ 4.2 and 4.3, and visits not performed for those reasons are not carried over.

4.2 Growing season

The mowing season runs approximately April 15 through October 31, weather permitting. Plus includes up to 14 mowing visits per season (bi-weekly); Complete includes up to 28 (weekly); Estate is set by the Estate plan schedule.

Visits not performed because of drought dormancy, saturated ground, or conditions that would damage the turf are not carried over and do not reduce the membership fee.

Restoricon may shift the season start and end by up to three weeks in either direction to match actual growing conditions.

String trimming, edging and hard-surface blow-off are performed at each mowing visit and are not separately counted.

4.3 Snow removal

A qualifying event is an accumulation of 1 inch or more of snowfall at the property.

Included visits are applied automatically to the first qualifying events of each winter season (December 1 through March 31), in order of occurrence. The homeowner does not need to request them.

Complete includes up to 2 qualifying events per season. Estate includes up to 6, or the number stated in the Estate plan schedule.

Unused visits do not carry over between seasons and have no cash value.

Additional events are billed at the current per-visit rate (\$ 8) with prior homeowner approval, or may be pre-authorized in writing for the season.

Included snow service covers the driveway and primary walkway as recorded in the Wash Scope Baseline. It does not include roof, deck or gutter snow or ice removal.

4.4 Annualized billing

For the sales conversation. Membership is billed in 12 equal monthly payments, while lawn and grounds work is concentrated in roughly seven months. The annual fee reflects the full year of work, spread evenly so the customer is not hit with a large spring and summer bill. Winter months carry the Fall Service Visit, snow service at Complete and above, handyman credits, and year-round priority access. Annual Prepay members pay once and receive the equivalent of one month free.

5. Service Level Standards

These are the response commitments behind the words "priority" and "VIP". They are contractual (Form 1 § 2) and are measured in business hours and business days, excluding Sundays and Connecticut legal holidays.

Commitment

Basic

Plus

Complete

Estate

Acknowledge a customer call or email

- 1 business day
- 1 business day
- 4 business hours
- 2 business hours

- 1 business day

Named account contact

- No
- No
- No
- Yes

Response means Restoricon has made contact and scheduled or begun action, not that work is complete. Emergency response times are targets for reaching the property or providing remote direction; they are not a guarantee against loss and do not create liability for consequential damage (Form 1 § 6).

6. Add-On Services

The services below are optional extras that may be added to any HomeCare package — Basic, Plus, Complete or Estate — for an additional fee. This section will grow as new add-on categories are introduced.

Every add-on requires a signed Form 13 (Add-On Services Addendum). Add-ons are billed separately from the membership fee, do not draw on Handyman Pro Service Credits or other membership allowances, and are recorded on Form 1 § 1 so the customer's total recurring commitment appears in one place. Add-on work performed on a visit is logged in Form 6.

6.1 Pool Services

Core focus: routine pool cleaning and upkeep.

Included in routine service

Surface skimming and debris removal

Chemical testing and balancing using standard pool chemicals

Skimmer and pump basket cleaning

Brushing walls, steps and tile line

Visual equipment and pump check, with written notation of any fault observed

Not included — scope boundary

Pool equipment repair or replacement of any kind, including pumps, heaters, filters, timers, automation and any electrical or gas connection. Faults found during a visual check are reported and quoted separately under a Change Order (Form 8), and any licensed trade work is subcontracted to a licensed contractor.

Leak detection, structural repair, resurfacing, tile or coping repair.

Remediation of a pool that has turned green or is otherwise unsanitary. This is quoted as a Green Pool Recovery (below).

Supply of chemicals. Chemicals are billed at direct cost plus a 25% sourcing fee unless the homeowner supplies them.

Pool covers, safety equipment, or any decision about pool safety compliance.

Green Pool Recovery — defined scope

A Green Pool Recovery is quoted, not included. The quoted price covers up to three site visits within a 14-day window, plus filter cleaning and chemical application. Chemicals are billed separately. If the water is not clear after three visits, the work continues at the standard hourly rate with prior approval, or Restoricon will recommend a drain and refill, which is quoted separately.

Seasonality and billing

Weekly pool maintenance is a seasonal service billed only for the months in which service is performed (typically May through September), unless the Form 13 addendum states an annualized 12-month price. Opening and closing are one-time charges.

Service

Price

Weekly pool maintenance (in-season)

\$300–\$400 per month

Per-visit full service

\$75–\$150+

Green pool recovery (defined scope above)

\$300–\$600+

Pool opening

\$250–\$400+

Pool closing / winterization

\$200–\$400+

Filter cleaning

\$75–\$175

Restoricon pricing. Final pricing is set at the Initial Property Assessment based on pool size, equipment and condition. Prices exclude Connecticut sales tax, which is added at invoicing.

6.2 Car Detailing

Core focus: vehicle exterior and interior detailing, performed at the customer's property.

What each service includes**Service****Included work****Exterior-only detail**

Rinseless or reclaimed-water wash, wheels and tires, bug and tar removal, spray sealant, glass, tire dressing.

Interior-only detail

Full vacuum, mats, door jambs, dash and console wipe-down, interior glass, light stain spot treatment.

Basic inside + outside

Exterior-only plus interior vacuum, wipe-down and glass. No extraction.

Full detail

Exterior and interior above, plus clay bar decontamination, machine-applied sealant, upholstery or leather cleaning and conditioning.

Heavy interior / pet hair / stains

Full detail plus hot-water extraction, pet hair removal, odor treatment, heavy stain work.

Paint correction

Single- or multi-stage machine polishing to remove swirls and light defects. Paint depth is measured and recorded before work begins.

Ceramic coating

Decontamination, correction as quoted, and application of a consumer-grade ceramic coating with the manufacturer's stated durability.

Luxury / high-end correction + coating

Multi-stage correction and professional coating on high-value vehicles, quoted individually after inspection.

Service

Price

Exterior-only detail

\$100–\$150

Interior-only detail

\$150–\$225

Basic inside + outside

\$175–\$225

Full detail

\$250–\$350

Heavy interior / pet hair / stains

\$300–\$450+

Paint correction

\$350–\$600+

Ceramic coating

\$600–\$1,500+

Luxury / high-end correction + coating

\$1,000–\$2,500+

Final pricing depends on vehicle size, condition and selected options. Prices exclude Connecticut sales tax, which is added at invoicing.

Operating requirements — detailing

Wash water. Detailing is performed using rinseless / waterless methods or a water-reclamation mat. Wash water is never allowed to run to a storm drain, street gutter or watercourse. Collected wash water is disposed of to sanitary sewer or removed from site.

Pre-work condition record. Before any paint correction or coating, the technician photographs the whole vehicle, records the odometer, and records paint depth readings. The customer signs the record before work begins. No correction or coating proceeds without it.

Coating warranty. Restoricon passes through the coating manufacturer's durability statement and warrants its application workmanship for 12 months. Restoricon offers no independent warranty on coating longevity, and no warranty of any kind on paint correction outcomes on previously repainted, resprayed or heavily thinned panels.

Declined work. The technician will decline correction or coating where paint depth readings, prior bodywork, or existing damage make a good outcome unlikely, and will record the reason.

Liability. Vehicle work is subject to the limitation of liability in Form 1 § 6 and Form 13.

6.3 House Cleaning

Core focus: recurring interior house cleaning and one-time specialty cleans.

Recurring Basic, Plus or Premium interior cleaning plans

One-time Deep Cleaning (required for all first-time visits)

Move-in / move-out cleaning

Post-construction cleaning

A la carte extras: bed making, extra laundry, substantial dishwashing

Recurring Cleaning Plans — price per visit

The prices below are PER VISIT, not per month. Monthly cost depends on frequency. Worked example: a 3–4 BR home on the Plus tier at biweekly frequency — \$300 per visit × 2.17 visits per month × 0.95 biweekly discount ≈ \$618 per month plus sales tax. Always quote the per-visit price and the expected monthly total together.

5+ BR

\$330–\$400+

\$420–\$500+

\$580–\$700+

Billed separately from the membership fee. Final pricing is set at the Initial Property Assessment based on home size, condition and selected tier. Prices exclude Connecticut sales tax, which is added at invoicing.

Recurring discount

10% off the quoted per-visit price for weekly service; 5% off for biweekly. One-time bookings and monthly-frequency bookings are full price. The discount applies to the quoted per-visit price for the property, not to the published range.

What's included by tier

First-time visits are always quoted as a Deep Clean, never at a recurring tier rate.

Move-in / move-out

\$250–\$600+

Post-construction

\$300–\$750+

Not part of the recurring tiers; scoped and priced separately.

Market context

Individual cleaners listing on consumer marketplaces in Connecticut advertise roughly \$21–\$29 per hour. That is an individual's rate and carries no payroll tax, workers' compensation, general liability or care-custody-and-control coverage, supervision, supplies, drive time, overhead or sales tax. Insured company flat-rate pricing sits meaningfully above it, and the rates in this section reflect that. Statewide one-time or standard cleans are commonly quoted around \$110–\$290 per visit; deep cleaning commonly runs 50–100% above a standard clean; move-in/move-out commonly \$250–\$600; post-construction commonly \$300–\$750+.

Exclusions — what house cleaning does not cover

The following are outside every cleaning tier and will not be performed. Where a customer requests them, the technician declines politely, notes the request in Form 6, and escalates to the office.

Exterior windows, and interior windows or fixtures not reachable from a two-step stool

Any work requiring a ladder

Mold or suspected mold remediation, biohazard, blood or bodily fluids, needles, or drug residue

Hoarding conditions, or any home where floors and surfaces are not accessible

Pet waste, litter box contents, animal accidents beyond a single fresh spot

Insect or rodent infestation cleanup, or cleaning in an actively infested area

Moving furniture or appliances over 40 lb, or moving anything that is not on the agreed task list

Handling, cleaning or moving items the customer has identified as valuable, or any item appearing to be worth more than \$500

Cleaning inside occupied bedrooms or private spaces of adults other than the account holder, unless specifically authorized in writing

Dishes beyond the light-dishes standard, unless the substantial dishwashing add-on is pre-authorized

Chemical stripping, waxing or refinishing of floors

Cleaning while a contractor, tradesperson or third-party crew is actively working in the same space

Operating terms — house cleaning

Supplies and equipment. Restoricon supplies all standard cleaning products and equipment. Green, fragrance-free or hypoallergenic products are available on request at no additional charge. If the customer requires their own products to be used, those products must be supplied, labelled and left out; Restoricon accepts no responsibility for results or surface damage from customer-supplied products.

Personnel. All cleaning is performed by Restoricon personnel, who are covered by Restoricon's general liability and workers' compensation insurance. Certificates are available on request.

Access. Key and code custody is governed by Form 15. No key or code is accepted without a signed Form 15.

Cancellation and lockout. A cleaning visit cancelled with less than 24 hours' notice, or a visit at which the crew cannot gain access, is charged at 50% of the visit price. The first occurrence in any 12-month period is waived.

Breakage and damage. Any breakage or damage is reported to the customer and the office the same day and recorded in Form 6 with photographs. Restoricon repairs, replaces or credits items up to \$500 per occurrence without dispute; items above that are handled through Restoricon's general liability insurer. Customers are asked to put away or identify irreplaceable items before a visit.

Satisfaction. If the customer reports a problem within 24 hours of a cleaning visit, Restoricon returns and re-cleans the affected areas at no charge. This is the sole remedy for a cleaning quality complaint.

Photographs. Interior photography is governed by Form 16 and is limited to the specific conditions and completed work recorded. No photograph is taken of an interior space without a signed Form 16.

Tipping. Tipping is never expected. Tips offered are passed in full to the assigned crew.

7. Individual Services (A La Carte)

Available without a membership. Members receive these services within their tier as described in § 3; work beyond tier scope is quoted at these rates or under a Change Order (Form 8).

7.4 Handyman & Property Checks

Handyman labor is included as credits in HomeCare Plus and above. Vacation-home checks and post-storm evaluations are included in HomeCare Estate only. All three are available on their own, without a membership.

Service**Price****Handyman labor (per hour, materials separate)**

\$100 / hr

Vacation home check (per visit)

\$75–\$150

Post-storm property evaluation

\$100–\$200

Prices exclude Connecticut sales tax, which is added at invoicing. Ranges reflect Tier A properties; larger or more complex properties are quoted using the Tier Multiplier Schedule (Appendix A).

8. Property Complexity & Pricing Tiers**Tier****Typical property size****Pricing basis****Tier A (Residential)**

Up to and including $\frac{1}{4}$ acre, driveway up to 1,000 sq ft

Base starting price as published

Tier B (Residential+)

Over $\frac{1}{4}$ acre up to and including $\frac{1}{2}$ acre

Adjusted after measurement

Tier C (Large Property)

Over $\frac{1}{2}$ acre up to and including 1 acre

Adjusted after measurement

Tier D (Executive)

Over 1 acre up to and including 2 acres

Custom quote based on scope

Tier E (Estate)

Over 2 acres, or multi-structure

Custom white-glove plan

Tiebreak rule. Tier is assigned by both the acreage band above and the Property Complexity Scoring Matrix in Form 3 § 4. Where the two disagree, the higher tier governs. The technician records both results and the assigned tier on Form 3 § 5.

Multipliers applied to base pricing for Tiers B through E are internal and are set out in Appendix A. They are not published to customers; the customer sees only the final quoted price.

9. Master Service Catalog

Lawn & Grounds (Plus and above)

Scheduled mowing during the growing season (bi-weekly in Plus, weekly in Complete, customized in Estate)

String trimming & weed whacking

Walkway & driveway edging

Hard-surface blow-off

Envelope condition documentation (all tiers)

Preventive Home Maintenance (all tiers)

Annual dryer-vent cleaning

Sump-pump operational check

HVAC condensate drain visual check

Water-heater area check

Smoke & CO detector check

Hose-bib winterization

Window & door seal check

Moisture & intrusion inspection

Basement / crawlspace / attic visual review

Property Checks (Estate)

Vacation-home checks

Post-storm property evaluations

Add-On Services (any tier, Form 13 required)

Pool services — routine maintenance, opening, closing, filter cleaning, green pool recovery

Car detailing — interior, exterior, full detail, paint correction, ceramic coating

House cleaning — recurring Basic / Plus / Premium, deep clean, move-in/move-out, post-construction

Additional quoted services (separately billed / upgrades)

Mulch installation & garden bed care

Lawn aeration & overseeding

Shrub pruning & tree trimming

Irrigation startup & winterization

Additional driveway sealing beyond included scope

Additional snow removal beyond included visits

Major remodeling, framing & painting

Roof & siding repairs

Emergency water / fire / storm restoration

Explicitly excluded from every tier

Restoricon does not apply pesticides, herbicides, fungicides or fertilizers of any kind, and does not perform weed control or lawn feeding. These require Connecticut pesticide applicator licensing and are outside the HomeCare program. Customers requiring these services are referred to a licensed applicator.

Restoricon also does not perform: licensed electrical, plumbing or HVAC work; roof or gutter snow and ice removal; tree work requiring climbing or aerial equipment; asbestos, lead or mold remediation; or any work requiring a permit, except under a separately executed Connecticut Home Improvement Contract.

10. Initial Property Assessment & Measurement Fee (\$299)

The \$299 Initial Property Assessment & Measurement establishes turf area, gutter height and linear footage, driveway square footage, the Wash Scope Baseline, and property complexity, before final enrollment pricing is set.

Scheduling rule — mandatory. Where the homeowner signs a Membership Agreement before the assessment, the assessment is scheduled for the fourth business day after signing, or later. No assessment work is performed during the three-business-day cancellation period. Office staff must not book an assessment inside that window under any circumstances.

How the fee works

The fee is invoiced and payable on completion of the assessment, not at signing.

If the homeowner cancels within the three-business-day cancellation period, no assessment will have been performed and no fee is due. Any amount already collected is returned in full within ten business days.

Once the assessment has been performed, the fee is earned and is non-refundable.

If the homeowner enrolls, the \$299 is credited against the final payment of the first 12-month term — the 12th monthly payment for Monthly members. Annual Prepay members receive the credit against their prepayment, and \$299 is deducted from any refund if they cancel before the end of the first term.

If a Monthly membership is cancelled before the 12th payment, the credit is not earned and is forfeited.

The assessment may be purchased on its own, without enrolling. In that case no credit arises.

11. Program Boundaries & Compliance

11.1 Operating scope & program nature

Restoricon HomeCare is a recurring property maintenance and visual assessment service provided by Restoricon, LLC, a registered Connecticut Home Improvement Contractor, HIC Reg. No. 0706905. It is designed to assist homeowners in proactively maintaining their residential property to prevent avoidable water intrusion, freeze damage and property deterioration.

HomeCare is not an insurance policy, warranty or guarantee against future casualty or damage, and does not replace homeowner insurance. It is also not a home inspection. Assessments are visual reviews performed by maintenance technicians from safe, accessible locations. They are not performed by a licensed Connecticut home inspector, do not comply with home inspection standards of practice, and cannot detect latent, concealed or inaccessible defects. A Home Health Report must not be used or represented as a home inspection report in any real estate transaction.

11.2 Connecticut sales tax

[CONFIRM] — CPA sign-off required before this version is used. Most services in this manual are enumerated taxable services in Connecticut, including when rendered to owner-occupied residential property. The open question is the treatment of the bundled membership fee, which mixes taxable service categories with visual assessment work. Restoricon's CPA must confirm, in writing, (a) whether the membership fee is taxable in whole, and (b) whether component-level allocation on the invoice will be respected. Record the answer on the cover page before enrolling any member.

Restoricon is registered with the Connecticut Department of Revenue Services and holds a Sales Tax Permit. Pending the determination above, the following applies:

All prices published in this manual are exclusive of sales tax. Sales tax is shown as a separate line on every invoice.

Categories treated as taxable include: house cleaning and janitorial services; landscaping, mowing and grounds maintenance; maintenance services to real property, including gutter cleaning, house washing, driveway washing and snow removal; window and glass cleaning; swimming pool cleaning and maintenance; and services to tangible personal property, including vehicle detailing.

Materials, replacement parts and consumables are billed at direct cost plus a 25% sourcing fee. "Direct cost" means the price Restoricon actually pays the supplier, excluding any sales tax Restoricon pays at purchase and excluding delivery. Sales tax and delivery, where charged, are shown separately.

Sales staff must never tell a customer that a service is tax-free. Where a customer asks, the answer is that tax is applied as required by Connecticut law and is shown separately on the invoice.

11.3 Materials, consumables & replacement parts

Membership fees cover defined scheduled labor, visual assessments and included maintenance tasks. Materials, replacement parts, consumables and specialty hardware — such as HVAC filters, replacement sump pumps, plumbing fittings, sealer, lightbulbs, batteries and weather-stripping — are billed separately at direct cost plus a 25% sourcing fee, with written homeowner authorization obtained before purchase using Form 7.

11.4 Connecticut registration & legal compliance

All HomeCare agreements are administered in accordance with Connecticut home improvement law. Any major construction, remodeling or structural repair exceeding membership scope requires a separately executed standard Connecticut Home Improvement Contract. Every HomeCare Membership Agreement includes the homeowner's three-business-day right to cancel and an attached Notice of Cancellation in duplicate, as required by Connecticut law.

Restoricon is a registered Home Improvement Contractor, not a Public Adjuster. Restoricon does not negotiate insurance claims, does not advise on coverage, and does not waive, absorb or rebate any policy deductible.

11.5 Insurance

Restoricon maintains commercial general liability insurance, workers' compensation insurance for all employees, commercial auto insurance, and care, custody and control coverage applicable to work performed inside customer

homes. Certificates of insurance are provided at enrollment and on request. All field personnel are Restoricon employees unless the customer is notified in writing that specific work is subcontracted; any subcontractor used carries equivalent coverage and is separately registered where the work requires it.

11.6 Contact

Restoricon, LLC • 458 Somers Road, Ellington, CT 06029 • HIC Reg. No. 0706905

Phone: (860) 337-1820 • Email: contact@restoricon.com • Web: <https://restoricon.com>

Part II — Forms

Twelve original forms plus four added in Version 2.0. The Initial Property Assessment intake, the per-visit technician checklist and the Service Visit Record are each administered using the numbered fillable form in this part, not a summary. Field and office staff always work from the numbered form, never from memory of an earlier version.

Form

Purpose

1. Membership Agreement

Customer-facing contract: term, price, tax, scope, exclusions, liability, cancellation.

Notice of Cancellation

Statutory three-business-day cancellation notice, provided in duplicate with Form 1.

2. Service Scope Guide

Plain-language description of what the customer's tier includes. Incorporated into Form 1.

3. Property Intake Form

Property size, gutter heights, wash baseline, access, pets, emergency contacts, complexity score.

4. Baseline Inspection

Condition report completed before recurring service begins, with time-stamped photos.

5. Recurring Checklist

Internal technician checklist for each visit tier.

6. Service Visit Record

Log of completed tasks, observations, photos, billable materials, add-on work and follow-up.

7. Material Authorization

Homeowner approval for billable consumables and replacement parts.

8. Change Order

Required before any work outside membership scope is performed.

9. Home Health Report

Customer-facing report: completed work, photos, ratings, recommendations.

10. Cancellation Procedure

Internal protocol for cancellations, renewal notices, missed payments and unsafe access.

11. Emergency Referral

Documents insurable damage or the need for emergency restoration found during a visit.

12. Safety & Quality Manual

PPE, ladder and fall protection, LOTO, chemical safety, site standards, escalation.

13. Add-On Services Addendum

NEW — contract terms for Pool, Car Detailing and House Cleaning add-ons.

14. Payment Authorization

NEW — recurring payment authorization, card/ACH details, NSF and late terms.

15. Property Access & Key Custody

NEW — key and code issue, storage, return and loss protocol.

16. Photo, Media & Data Consent

NEW — consent, retention and access for property and interior photography.

Form 1: Restoricon HomeCare Membership Agreement

Customer Name: _____ Date of this transaction: _____

Property Address: _____

Phone: _____ Email: _____

Contractor: Restoricon, LLC • 458 Somers Road, Ellington, CT 06029 • HIC Reg. No. 0706905 • (860) 337-1820 • contact@restoricon.com

1. Term, Selected Package & Charges

Selected tier: ☐ Basic ☐ Plus ☐ Complete ☐ Estate

Assigned property tier: ☐ A ☐ B ☐ C ☐ D ☐ E

Payment term: ☐ Monthly ☐ Annual Prepay

Charge

Amount

Sales tax

Total

Membership fee (monthly)

\$ _____

\$ _____

\$ _____

Membership fee (annual prepay)

\$ _____

\$ _____

\$ _____

Add-on 1 (per Form 13): _____

\$ _____

\$ _____

\$ _____

Add-on 2 (per Form 13): _____

\$ _____

\$ _____

\$ _____

Total recurring charge

\$ _____

\$ _____

\$ _____

Recurring charges. Monthly plans are billed on the _____ day of each month. Annual Prepay plans are billed on each renewal anniversary. Materials and out-of-scope work are billed separately (§ 3). No recurring charge will be made without the homeowner's affirmative consent, given by signing this agreement and Form 14.

Homeowner initials: _____

Sales tax. All amounts above are exclusive of Connecticut sales tax. Applicable sales tax is added and shown separately on every invoice. If the rate or the taxability of any service changes, Restoricon will apply the change from its effective date without further notice; this is not a price change under § 4.

Initial Property Assessment. The \$299 Initial Property Assessment & Measurement fee is invoiced on completion of the assessment. The assessment will not be performed during the three-business-day cancellation period described in § 4 and the Notice of Cancellation. If the homeowner cancels within that period, no assessment will have been performed, no fee is due, and any amount already paid is returned in full within ten business days. Once performed, the fee is earned and non-refundable. Upon enrollment, the \$299 is credited against the final payment of the first 12-month term (the 12th monthly payment for Monthly plans). For Annual Prepay plans the credit is applied to the prepayment, and \$299 is deducted from any refund if the membership is cancelled before the end of the first term. If a Monthly membership is cancelled before the 12th payment, the credit is forfeited.

Minimum term & early termination (Monthly plans). Monthly plans carry a minimum initial term of 12 months from the start date above. If a Monthly plan is cancelled before that 12-month minimum term is complete, the homeowner owes an early termination fee equal to Restoricon's standard retail price (per the a la carte price list, § 7 of the manual) for every service actually performed under this agreement through the date of cancellation, less all amounts already paid toward those same services. The early termination fee will not exceed 150% of the Monthly plan rate multiplied by the number of months or partial months of service received, so that it can never exceed what the homeowner would have paid by completing the term. The fee recovers the membership discount on services already delivered; it is not a charge for services not yet performed. It is in addition to amounts owed under § 4 for approved materials, change-order work and add-on work. Restoricon's standard retail price list is provided at enrollment and on request. Homeowner initials: _____

Starting and completion dates. Service start date: _____. Completion date of the initial term: _____ (12 months after the start date).

Renewal. This membership renews automatically after the completion date — month to month for Monthly plans, or for successive 12-month terms for Annual Prepay plans — until cancelled under § 4. Renewal reminders are sent as described in § 4.

2. Scope of Service & Service Levels

Service scope. Restoricon HomeCare provides recurring property maintenance and visual assessment services. The specific tasks performed are those set out in the Service Scope Guide (Form 2) for the selected tier and in the Annual Service Calendar, both of which are attached to and form part of this agreement.

Service levels. Restoricon will meet the response commitments for the selected tier set out in the Service Level Standards attached to this agreement. Response means Restoricon has made contact and scheduled or begun action.

Not an insurance policy or warranty. This program is designed to assist the homeowner in proactively maintaining the property to prevent avoidable water intrusion, freeze damage and deterioration. It is not an insurance policy, warranty or guarantee against future casualty or damage, and does not replace homeowner insurance.

Not a home inspection. Assessments under this agreement are visual reviews performed by maintenance technicians from safe, accessible locations. They are not performed by a licensed Connecticut home inspector, do not comply with home inspection standards of practice, and cannot and do not detect latent, concealed or inaccessible conditions. The Home Health Report is not a home inspection report and must not be relied upon as one in any real estate transaction.

General contracting boundary. Restoricon, LLC is a registered Connecticut Home Improvement Contractor (registration number above). Any major construction, remodeling or structural repair exceeding this membership scope requires a separate, executed standard Connecticut Home Improvement Contract.

Excluded services. This agreement does not include application of pesticides, herbicides or fertilizers; licensed electrical, plumbing or HVAC work; roof or gutter snow and ice removal; climbing tree work; asbestos, lead or mold remediation; or any permitted work.

Business entity disclosure. During the previous five years, the owner(s) of Restoricon, LLC have been an owner, member, partner or shareholder of the following home improvement or new home construction contractor entities: _____ (write "None" if none).

3. Materials, Access & Out-of-Scope Labor

Materials & consumables. Membership fees cover defined scheduled labor and visual assessments.

Replacement parts, consumables and specialty hardware are billed separately at direct cost plus a 25% sourcing fee, with written homeowner authorization obtained before purchase (Form 7). "Direct cost" means the price Restoricon actually pays the supplier, excluding sales tax and delivery, which are shown separately.

Standard hourly rate. Labor outside membership scope or beyond included credits is billed at \$100 per hour plus applicable sales tax.

Credits. One credit equals one hour of on-site labor, tracked in 30-minute increments. Credits are granted per 12-month term year, do not carry over, have no cash value, and are forfeited on cancellation. On a mid-term upgrade, additional credits are prorated by whole months remaining; on a downgrade, credits already used in excess of the new tier are billed at the standard hourly rate.

Property access. The homeowner agrees to provide safe, reasonably unobstructed access to the property on scheduled service dates. Keys and access codes, where provided, are governed by Form 15.

Denied access. If Restoricon cannot access the property on a scheduled service date, the first missed visit in any 12-month period is rescheduled at no charge. Each additional denied access is subject to a flat \$75 trip fee, and the visit is rescheduled at the next available date. Cancellation and lockout terms for house cleaning visits are set out in Form 13.

Unsafe conditions. Restoricon may suspend or decline work where a technician documents an unsafe condition, including aggressive animals, exposed wiring, structural instability or unsanitary conditions. Suspended work is not a breach by Restoricon and does not reduce the membership fee.

4. Cancellation, Renewal Notices & Price Changes

Renewal reminder — how Restoricon will remind you. Before each renewal date, Restoricon will send you a reminder by card or letter, mailed to the property address or to any other mailing address you give us, postmarked not earlier than twenty (20) days and not later than ten (10) days before that renewal date. The

reminder will tell you that the membership will renew unless you cancel, will state the renewal date and the price, and will explain how to cancel. Restoricon will also send the same reminder by email where you have given us an email address, but the mailed card or letter is sent in every case. This applies to Monthly memberships and to Annual Prepay memberships alike.

Automatic renewal. This membership continues automatically as described in § 1 until you cancel. You are never required to give notice by any particular date in order to stop periodic work: you may cancel at any time, for any reason, as described below. Cancelling a Monthly plan before the 12-month minimum term in § 1 stops all future charges, but triggers the capped early termination fee described there.

Price changes at renewal. Restoricon may change membership pricing only at renewal, and will give written notice of any price change at least 30 days before the new price takes effect. Prices will not change during the initial 12-month term. You may cancel before the new price takes effect. A change in sales tax rate or taxability is not a price change under this section.

How to cancel. You may cancel at any time, for any reason, by calling (860) 337-1820 (voicemail accepted), emailing contact@restoricon.com, or mailing written notice to the business address above. If you enrolled online, you may also cancel online. Restoricon will not require a reason, a retention call, or any other step, and will confirm your cancellation in writing within two business days.

Charges after cancellation. No further membership charges will be billed after Restoricon receives your request. Monthly members keep service through the end of the month already paid. You remain responsible only for approved materials, approved change-order work and approved add-on work already performed, plus applicable sales tax, and — for a Monthly plan cancelled before the 12-month minimum term — the capped early termination fee described in § 1.

Unused credits. Unused Handyman Pro Service Credits, driveway sealing credits and snow removal visits are forfeited on cancellation and have no cash value.

Annual Prepay refunds. Restoricon will refund the unused portion of an Annual Prepay within 30 days of cancellation. The refund equals the amount paid, minus the greater of (a) the Monthly plan rate for each month or partial month of service, or (b) Restoricon's standard retail price for services already performed, including credits used at the standard hourly rate, and minus the \$299 assessment credit if it was applied. The total deduction under (a) or (b) will not exceed 150% of the Monthly plan rate multiplied by the number of months or partial months of service. Restoricon's standard retail price list is provided at enrollment and on request.

Cancellation by Restoricon. Restoricon may cancel this agreement with 15 days' written notice, including for payment more than 15 days past due, repeated denial of property access, or documented unsafe working conditions. Any unused Annual Prepay is refunded as described above.

5. Payment Terms

Payment is authorized on Form 14 and is required before service begins. Restoricon accepts ACH and major credit and debit cards.

Invoices for materials, change-order work and add-on work are due 15 days from the invoice date.

A payment returned unpaid incurs a \$30 returned-payment fee. Amounts more than 15 days past due accrue a late charge of 1.5% per month or the maximum permitted by Connecticut law, whichever is less.

The homeowner is responsible for keeping payment details current. Restoricon will attempt to contact the homeowner before suspending service for a failed payment.

6. Insurance, Liability & Damage

Insurance. Restoricon maintains commercial general liability insurance, workers' compensation insurance for all employees, commercial auto insurance, and care, custody and control coverage for work performed inside the home. A certificate of insurance is available on request.

Damage caused by Restoricon. Restoricon is responsible for loss or damage to the property caused by its own negligence. Damage is reported to the homeowner the same day, documented with photographs, and repaired, replaced or credited. Items valued up to \$500 per occurrence are resolved directly; above that, the claim is handled through Restoricon's general liability insurer.

Limitation of liability. Except for damage caused by Restoricon's negligence or willful misconduct, and except where Connecticut law does not permit limitation, Restoricon's total liability arising out of this agreement is limited to the amount the homeowner paid Restoricon under this agreement in the twelve months preceding the event. Restoricon is not liable for indirect, incidental or consequential damages, including loss of use, loss of rental income, or damage arising from a condition that a visual assessment did not reveal.

Pre-existing and latent conditions. Restoricon is not responsible for pre-existing conditions, for conditions concealed from view, or for the failure of any component that was not within the scope of a scheduled task.

Insurance claims. Restoricon does not state or imply that insurance coverage is guaranteed. Coverage is determined solely by the homeowner's insurer. Restoricon is a registered Home Improvement Contractor, not a Public Adjuster, does not negotiate insurance claims, and does not waive, absorb or rebate any policy deductible.

7. General Provisions

Entire agreement. This agreement, together with the attached Service Scope Guide (Form 2), the Annual Service Calendar, the Service Level Standards, the signed pricing schedule, the Notice of Cancellation, and any signed Form 13, 14, 15 or 16, contains the entire agreement between the homeowner and Restoricon. No prior or contemporaneous oral statement forms part of it.

Changes in writing. Each change in the terms and conditions of this agreement must be in writing and signed by both the homeowner and Restoricon. Work outside membership scope requires a signed Change Order (Form 8) before it is performed.

Governing law and venue. This agreement is governed by the laws of the State of Connecticut. Any action is brought in the Connecticut Superior Court for the judicial district in which the property is located.

Dispute resolution. The parties will first attempt to resolve any dispute directly. If that fails, either party may propose non-binding mediation in Connecticut, with costs shared equally. Nothing in this section prevents either party from bringing a claim in small claims court, or affects any right the homeowner has under Connecticut consumer protection law.

Subcontractors. Restoricon may engage subcontractors for specific work. Restoricon remains responsible to the homeowner for that work, and any subcontractor used carries equivalent insurance and is registered or licensed where the work requires it. The homeowner is notified in writing where a service is routinely subcontracted.

Assignment. The homeowner may not assign this agreement without Restoricon's written consent. Restoricon may assign it to a successor acquiring substantially all of its business, on written notice to the homeowner, who may then cancel without penalty within 30 days.

Force majeure. Neither party is liable for delay or failure caused by events beyond its reasonable control, including severe weather, natural disaster, utility failure, epidemic, or government action. Restoricon will reschedule affected visits; visits that cannot be rescheduled within the season are addressed as described in the Annual Service Calendar.

Severability. If any provision is held unenforceable, the rest of this agreement remains in effect.

Notices. Notices to Restoricon go to 458 Somers Road, Ellington, CT 06029 or contact@restoricon.com. Notices to the homeowner go to the property address, or to the mailing and email addresses given above.

8. Acknowledgment & Signatures

The homeowner acknowledges receiving a completed copy of this agreement, the Service Scope Guide, the pricing schedule, and two copies of the Notice of Cancellation at the time of signing.

NOTICE OF RIGHT TO CANCEL: You, the buyer, may cancel this transaction at any time prior to midnight on the third business day after the date of this transaction. See the attached Notice of Cancellation for an explanation of this right.

Homeowner Signature: _____ **Date:** _____

Homeowner Signature (2nd owner): _____ **Date:** _____

Restoricon Authorized Agent: _____ **Date:** _____

Notice of Cancellation

Provide the homeowner with two (2) completed copies of this notice, attached to and delivered with the signed Membership Agreement. Complete the transaction date and the cancellation deadline in bold before the homeowner signs the agreement.

Seller: Restoricon, LLC • 458 Somers Road, Ellington, CT 06029 • HIC Reg. No. 0706905

Phone: (860) 337-1820 Email: contact@restoricon.com

Date of Transaction: _____

Cancellation Deadline: Midnight on _____

(the third business day after the date of transaction — count Saturdays, but not Sundays or Connecticut legal holidays)

You may cancel this transaction, without any penalty or obligation, within three business days from the date of transaction.

If you cancel, any payments made by you under the contract and any negotiable instrument you signed will be returned within ten business days after the seller receives your cancellation notice, and any security interest arising out of the transaction will be cancelled.

If you cancel, you must make available to the seller at your residence, in substantially as good condition as when received, any goods delivered to you under this contract; or you may, if you wish, comply with the instructions of the seller regarding the return shipment of the goods at the seller's expense and risk. If you make the goods available to the seller and the seller does not pick them up within twenty days of the date of your Notice of Cancellation, you may retain or dispose of the goods without any further obligation.

To cancel this transaction, sign and date a copy of this notice, or send any other written notice, and deliver it by mail, email or hand delivery to Restoricon, LLC at the address or email above, no later than midnight on the cancellation deadline stated above.

I HEREBY CANCEL THIS TRANSACTION.

Form 2: Restoricon HomeCare Service Scope Guide

Welcome to Restoricon HomeCare. Below is a plain-language breakdown of what is included in your chosen tier. This guide is attached to and forms part of your Membership Agreement.

Materials, replacement parts and out-of-scope repairs are billed separately with your prior approval, at direct cost plus a 25% sourcing fee. One credit equals one hour of on-site labor. Labor beyond included credits is billed at \$100 per hour. All prices exclude Connecticut sales tax, which is shown separately on your invoice.

■ HomeCare Basic — 2 scheduled visits per year

Core focus: preventive home maintenance and property envelope protection.

Your visits: a Spring Service Visit (April–May) and a Fall Service Visit (October–November). You choose which one is your Seasonal Assessment.

Inspections: 1 Seasonal HomeCare property assessment per year, including a Home Health Report with time-stamped photos.

Exterior cleaning: 1 gutter cleaning and downspout clearing per year, at your Spring Service Visit.

Fire safety: 1 annual dryer-vent cleaning and lint obstruction removal, plus a smoke and CO detector visual test.

Water & freeze protection: hose-bib winterization and exterior water-line freeze protection check, sump-pump operational and float check, and HVAC condensate drain check.

Envelope checks: exterior envelope, roofline (from ground), foundation and drainage review; water-heater area check; window and exterior door seal assessment; basement, crawlspace and attic moisture and water-intrusion assessment.

Reporting: a Service Visit Record after every visit, and a full Home Health Report after your Seasonal Assessment.

Service level: calls acknowledged within 1 business day; approved non-emergency work scheduled within 10 business days; emergency response within 24 hours.

■ HomeCare Plus — approximately 19 scheduled visits per year (Recommended)

Core focus: comprehensive preventive maintenance PLUS scheduled lawn and grounds care.

Everything in Basic, plus:

Lawn care: bi-weekly mowing — up to 14 visits between roughly April 15 and October 31 — with string trimming and weed whacking around obstacles at every visit.

Grounds detail: precision edging of walks and driveways, and hard-surface blow-off of driveways, patios and walkways at every mowing visit.

Seasonal cleanups: 1 full spring yard cleanup and up to 2 fall leaf removal visits.

Expanded inspections: 2 Seasonal property assessments per year — both your Spring and Fall visits produce a Home Health Report.

Reporting: a Service Visit Record after every routine visit, and a full Home Health Report after each Seasonal Assessment.

Credits: 1 Handyman Pro Service Credit (1 hour) per year.

Service level: calls acknowledged within 1 business day; approved work scheduled within 7 business days; emergency response within 12 hours.

■ HomeCare Complete — approximately 38 scheduled visits per year

Core focus: full-property care, house washing and power washing.

Everything in Plus, plus:

Lawn care upgrade: weekly mowing — up to 28 visits per season, upgraded from bi-weekly.

Property washing: annual whole-house soft wash and annual driveway pressure washing, covering the main home and driveway as recorded at your Initial Property Assessment.

Driveway sealing: annual driveway sealing of your driveway as measured at assessment. Sealer and materials are billed separately at direct cost plus a 25% sourcing fee.

Winter service: up to 2 snow removal visits per winter, applied automatically to the first 2 events of 1 inch or more. Unused visits do not carry over.

Credits: 2 Handyman Pro Service Credits (2 hours) per year.

Service level: calls acknowledged within 4 business hours; approved work scheduled within 4 business days; emergency response within 6 hours.

■ **HomeCare Estate — customized schedule**

Core focus: customized white-glove property management.

Everything in Complete, plus:

Customization: a customized maintenance schedule and mowing frequency, stated as a visit count in your Estate plan schedule, plus up to 3 fall leaf-removal visits.

Winter service: up to 6 snow removal visits per winter, or the number set in your Estate plan.

Dedicated checks: 2 vacation-home checks and 3 post-storm property evaluations per year.

Driveway sealing: annual driveway sealing, plus additional sealing in the quantity set by your Estate plan.

Credits: 5 Handyman Pro Service Credits (5 hours) per year.

Service level: a named account contact; calls acknowledged within 2 business hours; approved work scheduled within 2 business days; emergency response within 4 hours.

Form 5: Restoricon HomeCare Recurring Technician Checklist

Customer Name: _____ Date: _____

Property Address: _____

Technician: _____ Time In: _____

Visit type: ■ Spring Service Visit ■ Fall Service Visit ■ Mowing ■ Cleanup ■ Wash / Seal ■ Snow ■ Add-on ■ Other

Active tier: ■ Basic ■ Plus ■ Complete ■ Estate

1. Required at every visit (all tiers)

- Confirm active membership, property access instructions, and gate/pet notes.
- PPE, fall protection, ladder inspection and safety check completed.
- Chemical check: correct product for the surface, SDS available, no mixing, containment in place (see Form 12 § 4).
- Take arrival photo of front property.
- Photograph each identified concern and classify findings (GREEN / YELLOW / ORANGE / RED).
- Upload before & after photos for all performed tasks. Interior photos only where Form 16 is signed.
- Review major findings with homeowner and complete the digital Service Visit Record (and Home Health Report if completing a Seasonal Assessment).
- Final walkthrough: tools, ladders and waste removed; hard surfaces blown off; gates closed and secured.

2. Spring Service Visit (all tiers)

- Gutters & downspouts cleaned and flushed — spring cleaning.
- Roof & exterior envelope visual review from ground / safe locations.
- Siding, trim, fascia and soffit condition.
- Foundation, grading slope and downspout drainage flow.
- Sump-pump operational and float check.
- HVAC condensate drain check.
- Water-heater area and visible plumbing leak review.
- Smoke & CO detector visual test.
- Basement / crawlspace / attic visible moisture and leak indicators.
- Home Health Report completed (Basic: if Spring elected as the Seasonal Assessment. Plus and above: always).

3. Fall Service Visit (all tiers)

- Dryer vent cleanout and lint obstruction removal.
- Hose-bib winterization and exterior water-line freeze protection (up to 4 bibs).
- Windows, exterior doors and exterior penetration seals.
- Moisture and visible water-intrusion assessment.
- Basement / crawlspace / attic visible moisture review.
- Home Health Report completed (Basic: if Fall elected as the Seasonal Assessment. Plus and above: always).

4. Plus tier and above — lawn & grounds

■ Mow designated turf (bi-weekly for Plus, weekly for Complete, per plan for Estate). Record visit number: ____ of ____ included this season.

■ String trim edges, obstacles and fences; edge walks and driveways.

■ Blow clippings and debris from all hard surfaces.

■ Perform scheduled spring cleanup or fall leaf removal (when scheduled). Visit ____ of ____.

■ Log handyman credits used (1 credit = 1 hour), if applicable.

5. Complete tier and above — washing, sealing & snow

■ Whole-house soft wash (when scheduled). Plants pre-wetted, covered where needed, and rinsed after — see Form 12 § 4.3.

■ Driveway pressure wash (when scheduled).

■ Driveway sealing performed (when scheduled); sealer quantity recorded for billing.

■ Snow removal, qualifying event of 1 inch or more. Event ____ of ____ included this season. Snowfall: ____ in.

■ Log sealing and handyman credits used (1 credit = 1 hour).

6. Estate tier — additions

■ Follow the customized Estate plan schedule attached to Form 1.

■ Vacation-home check performed (when scheduled). Check ____ of 2.

■ Post-storm property evaluation (when scheduled). Evaluation ____ of 3.

■ Log handyman and sealing credits used (1 credit = 1 hour).

7. Add-on services performed this visit

■ Pool ■ Car detailing ■ House cleaning ■ None. If any add-on was performed, complete the add-on block in Form 6.

Damage Discovery Protocol

Check if applicable: ☐ Unexpected damage found

Safety first. Pause routine work in the affected area if necessary for safety or property protection.

Document. Photograph the source and affected materials, and take moisture readings where applicable.

Notify. Notify the homeowner immediately and contact the Restoricon office if emergency mitigation is needed.

Builder scope. Offer authorized emergency mitigation options and generate a separate estimate. Complete Form 11.

Compliance note: Restoricon does not state that insurance coverage is guaranteed. Coverage is determined by the homeowner's insurer. Restoricon is a registered Home Improvement Contractor, not a Public Adjuster, and does not negotiate claims or waive deductibles.

Form 9: Restoricon HomeCare Home Health Report

Customer Name: _____ Date: _____

Property Address: _____

Technician: _____ Active tier: ■ B ■ P ■ C ■ E ____

Message from Restoricon: Thank you for trusting Restoricon HomeCare to protect your property. Below is a summary of the preventive maintenance performed today, along with our assessment of your home's exterior envelope and mechanical safety checkpoints.

What this report is, and is not. This is a maintenance visual assessment performed by a maintenance technician from safe, accessible locations. It is not a home inspection, is not performed by a licensed Connecticut home inspector, and cannot detect latent, concealed or inaccessible conditions. It should not be used or relied upon as a home inspection report in a real estate transaction.
