

RESTORICON HOMECARE

COMPREHENSIVE PROGRAM MANUAL & OPERATIONS GUIDE

ONE COMPANY. YOUR ENTIRE PROPERTY. ALL YEAR.

1. HOMECARE PACKAGES & PRICING OVERVIEW

All pricing is base starting pricing for Tier A properties (up to ¼ acre). Final pricing is established after the Initial Property Assessment & Measurement.

Package	Monthly	Annual Prepay	Core Scope	Lawn Included
HomeCare Basic	\$179	\$1,899	Preventive home maintenance (interior & exterior)	No
HomeCare Plus (Popular)	\$399	\$4,299	Home preventive maintenance + scheduled lawn & grounds	Yes
HomeCare Complete	\$599	\$6,499	Full-property care + whole-house soft wash & pressure washing	Yes
HomeCare Estate	\$999+	\$10,999+	White-glove custom property management & dedicated handyman	Yes

The Four-Level Customer Explanation:

\$179 BASIC	→ Take care of my home.
\$399 PLUS	→ Take care of my home + lawn & grounds.
\$599 COMPLETE	→ Take care of my whole property.
\$999+ ESTATE	→ Manage it all for me.

Important Operating Distinction:

Membership pricing covers defined, predictable preventive labor and scheduled visual inspections; it is not an unlimited repair plan or home warranty. Basic covers visual checks and scheduled preventive tasks (gutters, dryer vent, freeze protection). Labor allowances for caulking, touch-up painting, and lawn care officially begin in Plus and expand at higher tiers. Materials and out-of-scope repairs are billed separately with homeowner approval.

9. PROGRAM BOUNDARIES & COMPLIANCE

Operating Scope & Program Nature:

Restoricon HomeCare is a recurring property maintenance and visual assessment service provided by Restoricon, LLC, a licensed Connecticut General Contractor (CT HIC). It is designed to assist homeowners in proactively maintaining their residential property to prevent avoidable water intrusion, freeze damage, and property deterioration. HomeCare is **not an insurance policy, warranty, or guarantee against future casualty or damage**, and does not replace homeowner insurance.

Materials, Consumables & Replacement Parts:

Membership fees cover defined scheduled labor, visual assessments, and included maintenance tasks. Materials, replacement parts, consumables, and specialty hardware (such as custom HVAC filters, replacement sump pumps, plumbing fittings, lightbulbs, batteries, and weatherstripping) are billed separately at direct cost, with homeowner authorization obtained prior to purchase whenever practical.

Connecticut Licensing & Legal Compliance:

All HomeCare agreements are administered in accordance with Connecticut Home Improvement laws. Any major construction, remodeling, or structural repair exceeding membership scope requires an executed standard Connecticut Home Improvement Contract (HIC). Restoricon is a licensed General Contractor, not a Public Adjuster, and does not negotiate insurance claims or waive policy deductibles.
